BIKE RENTALS

Beyond Boundaries is proud to carry Fuji's Crosstown 3.0 at the head of the bike rental line. The Crosstown 3.0 comes equipped with 21 speeds, front and seat post suspension, grip shift technology, and a wide range of adjustments to fit most any rider. With a variety of sizes for both men and women, the seat offers great comfort and shifting is done with ease. We also carry an assortment of various sized kids bikes to choose from. For the little riders that can't quite tackle a bike on their own we do have a "kid cart" capable of carrying two small children or an individual "trail-a-bike" available for rental. Beyond Boundaries is located right on the "400" State Bike Trail which is part of a 101 mile trail system through western Wisconsin.
